**Explanation of Responses:**

- The reporting person converted share units held by him in the Issuer's Profit Sharing and Savings Plan into shares of common stock of the Issuer and then transferred those shares of common stock into his individual retirement account through a rollover transaction.
- The reporting person participates in the MGIC Investment Corporation Deferred Compensation Plan for Non-Employee Directors under which units corresponding to shares of common stock of the Issuer ("Share Units") are awarded to the reporting person.
- These Share Units do not have a specified dollar-denominated exercise or conversion price. (Their value is based, on a one-for-one basis, on the price of the Issuer's common stock on the New York Stock Exchange.)
- These Share Units do not expire on a fixed date, except that the Share Units are settled in cash ten business days after February 1st in the year after they were granted, unless a qualified election for later distribution is made by the reporting person.
- These derivative securities were exercisable at any time.
- These derivative securities did not have an expiration date.
- This total includes 11,504.3259 shares of the Issuer's common stock held by the reporting person in an individual retirement account.

This Form 4 is being signed by the reporting person's attorney-in-fact pursuant to a previously filed power of attorney.
