Explanation of Responses:

- These shares are subject to certain restrictions, and vest when such restrictions lapse. Partial vesting of these shares occurs on February 10 of each of the three years beginning in 2013, based on certain performance standards. If it is not possible to determine whether the performance standards have been met on any particular vesting date, the vesting date will be extended until such determination can be made. Any of these shares which have not vested when the final vesting is determined in 2015 will be forfeited.
- These shares were awarded to the reporting person pursuant to the Issuer's 2011 Omnibus Incentive Plan and no price was paid by the reporting person for the shares.
- One-third of these Share Units vest on February 10 of each of the three years beginning in 2013, subject to the reporting person's continued employment with the Issuer.
- Balance as of December 31, 2011.
- These Share Units correspond to shares of Common Stock of the Issuer. The Share Units are settled in cash if and when they vest.
- These Share Units do not have a specified dollar-denominated exercise or conversion price. (Their value is based, on a one-for-one basis, on the average price of the Issuer's common stock on the New York Stock Exchange over a defined period of time.)
- One-third of these Share Units vest on February 10 of each of the three years beginning in 2012, subject to the reporting person's continued employment with the Issuer.
