One-third of these share units vest on February 10 of each of the three years beginning in 2016, subject to certain performance standards. If it is not possible to determine whether the performance standards have been met on any particular vesting date, the vesting date will be extended until such determination can be made. Any of these share units not vested as of February 10, 2018, may vest over the next two years if the performance standards are then satisfied. Any of these share units not vested as of February 10, 2020, will be forfeited.
