Pricing Term Sheet

Issuer:	MGIC Investment Corporation, which is referred to below as MGIC, the company and the holding company
Common stock offered:	37,333,333
Shares outstanding after this offering(1):	119,352,499
Public offering price:	\$11.25 per share
New York Stock Exchange Symbol:	“MTG”
Gross proceeds:	\$420,000,000
Use of proceeds:	To increase the capital of Mortgage Guaranty Insurance Corporation in order to enable it to expand the volume of its new business and for the company’s general corporate purposes. The company intends to retain proceeds of approximately \$88 million at the holding company, which represents three years of interest payments on the debentures referred to in footnote (1).
Settlement date:	March 28, 2008

(1) The number of shares outstanding after this offering is based on shares outstanding as of February 29, 2008. If the underwriters exercise their option to purchase additional shares in the offering in full, MGIC will issue and sell an additional 5,600,000 shares of common stock. The number of shares outstanding does not give effect to the conversion option of MGIC’s \$325,000,000 aggregate principal amount of 9% Convertible Junior Subordinated Debentures due 2063 (or up to \$65,000,000 additional aggregate principal amount of such debentures which may be issued in the next 30 days pursuant to an option granted to the initial purchasers thereof). The debentures are being offered to a limited number of “qualified institutional buyers” by means of a concurrent private placement pursuant to Rule 144A under the Securities Act of 1933, as amended. The convertible debentures are convertible into MGIC’s common stock at an initial rate of 74.0741 shares per \$1,000 principal amount of the convertible debentures, subject to adjustment under certain conditions.

Other Information

Curt S. Culver, MGIC’s Chairman and Chief Executive Officer, has informed MGIC that he intends to purchase 25,000 shares of MGIC’s common stock in the offering. Other officers of MGIC may also purchase shares of common stock in the offering. All shares of common stock purchased by Mr. Culver and the other officers will be purchased from the offering’s underwriters at the public offering price set forth above.

CAPITALIZATION

The following table sets forth MGIC's consolidated capitalization as of December 31, 2007:

- on an actual basis, and
- on an as adjusted basis to give effect to the following transactions, as if each such transaction had occurred on December 31, 2007:
 - this offering of common stock; and
 - the concurrent private placement of convertible debentures.

You should read the table in conjunction with MGIC's historical consolidated financial statements and the related notes incorporated by reference in the preliminary offering memorandum.
