Explanation of Responses:

- The reporting person participates in the MGIC Investment Corporation Deferred Compensation Plan for Non-Employee Directors under which units corresponding to shares of common stock of the Issuer ("Share Units") are acquired by the reporting person through, among other ways, compensation deferral. Dividends which would have been received on shares represented by the Share Units are also invested in Share Units. The Share Units will be settled in cash, on the first business day of the month following January 1, 2018.
- These Share Units do not have a specified dollar-denominated exercise or conversion price. (Their value is based, on an one-for-one basis, on the price of the Issuer's common stock on the New York Stock Exchange.)
- These Share Units are acquired through compensation deferral.
- These shares do not become exercisable on a fixed date or expire. (Generally the Share Units become payable at the time the reporting person ceases to be a Director of the Issuer, unless the reporting person makes a qualified election for an earlier or later payment in accordance with the applicable plan under which the Share Units were acquired.)

Remarks:

The Form 4 is being signed by the reporting person's attorney-in-fact pursuant to a previously filed power of attorney.
